Peter Wattel, Advocate General, Dutch Supreme Court; Professor of Tax Law University of Amsterdam.

Dennis Weber, Loyens & Loeff; Professor of Tax Law University of Amsterdam.
Practical information

The city of Jerez de la Frontera, usually called ‘Jerez’, is in Andalusia region, in the province of Cádiz (https://goo.gl/maps/G1EW4e3axYm). Jerez is the fifth biggest Andalusian city, with a population superior to 200,000. The city is located 12 km (7.46 mi) from the beaches of the Bay of Cádiz. It has a subtropical-mediterranean climate. The average temperature in September is 23.7 °C, but in September weather is usually hot, specially in the first two or three weeks. Jerez is known as the city of flamenco, sherry wine, horses and motorcycles. For tourist information, see http://www.turismojerez.com.

Jerez airport (“La Parra”, XRY) is located 8 kms (5.0 mi) northeast of the city of Jerez. There are regular direct flights with Madrid-Barajas (MAD) (4 flights per day with Iberia) and Barcelona-El Prat (BCN) (at least 1 flight per day with Vueling). The main origin / destination countries, apart from Spain, are Germany (Frankfurt, Dusseldorf) and the United Kingdom (London). In summer time until mid fall charter flights usually operate between Jerez and other destinations in Europe. The most convenient option to reach the Hotel / University from the airport is by taxi (time estimated: 15 minutes from or to the University and 12 minutes from or to the Hotel; cost: around 20 euros). For all other destinations, inter-city fares apply. There are also other public transport options available (intercity buses and trains) and service of car rental. Seville airport (SVQ) is another alternative. It has regular direct flights to main European airports (e.g. London, Amsterdam, Brussels, Paris, Rome and Lisbon). Seville is approximately 100 kms. from Jerez. It is connected to Jerez by train, with an average frequency of one hour for a journey of 70 minutes. Timetables and tariffs can be found on http://www.renfe.es. In Seville, it is necessary to take a taxi or a bus to go from the airport to the railway station “Santa Justa” (15 minutes). Taxis have an official fare to and from the airport. In Jerez, the railway station is near the University but we recommend to take a taxi (time estimated: 5 minutes; cost: 4-5 euros). It is also possible to reach Jerez from Seville by car via A4 and AP4 (time estimated: 60-75 minutes depending on traffic conditions).

The Hotel Jerez & Spa is a 4 star establishment. It is one of the most famous and symbolic in the city. It is located near the centre of the city (https://goo.gl/maps/CvqePVUpmcx) and is well known for accommodating the majority of the events in the area. It has special prices for the conference (mention that you come to Greit 12). Other nearby hotels are: Los Jándalos 4*, H2 Jerez 4*, NH Avenida Jerez 4*, Sherry Park 4* and Casa Grande 3*.

The Conference will take place at the University of Cádiz, Campus of Jerez, also known as ‘Campus de la Asunción’, which is located in the University Avenue (https://goo.gl/maps/GXbrLWCNPrH2). By taxi, it takes about 5 minutes from or to the Hotel (cost 5-7 euros).

Registration

The registration fee is **Eur 500** (including Friday’s lunch). Waiver is available for full-time academics and students (including Ph.D. and LL.M.) upon request. Limited seats are available. Registration on the spot is not available. Early registration is recommended. The registration fee should be paid in advance in Euros. Those interested in registration should send an email to eutaxlaw.jeanmonnet@uca.es with your personal data and you will be facilitated a bank account for the transfer of funds.
